What to do if we couldn't locate you in our database.

On the Activation Request Form page, you may see a message that says we couldn't locate you in our database. Don't worry. This happens on occasion. Usually, it means Great-West Financial® has not yet received your ADA number. Simply complete the Activation Request Form and click "Submit." We will work to verify your eligibility. You will need to return to insurance.ada.org/RegisterNow to register your account once you are insured. If you have questions, email studentenrollment@greatwest.com.
